

# Privacy Policy for Image Rotator (Right-Click)

Effective Date: [Insert Date]

## 1. Information Collection and Use

This extension does not collect, store, or transmit any personal information.

The extension operates entirely within your browser, and no data is sent to external servers.

## 2. Purpose

The sole purpose of this extension is to allow users to rotate images on webpages by right-clicking the image and selecting either "Rotate Left" or "Rotate Right".

## 3. Permissions

The extension requests the following permissions:

- ``contextMenus``: To add options to the right-click menu for rotating images.
- ``scripting``: To inject scripts into the active webpage and apply image rotations.
- ``activeTab``: To run scripts on the active tab where the extension is used.

## 4. No Tracking or Advertising

This extension does not display ads, track user behavior, or collect any information for advertising purposes.

## 5. Security

The extension does not have access to your browsing history or any personal data on websites you visit.

## 6. Changes to This Privacy Policy

Any updates to this privacy policy will be posted on this page with an updated effective date.

Please review this page periodically for changes.

## 7. Contact Information

If you have any questions about this privacy policy, please contact us at: [Insert Email]

Thank you for using Image Rotator (Right-Click).
